

Stephanie Zimmerman,

LEAD CHANGE TO ADVANCE HEALTH CARE

with an **ADVANCED NURSING DEGREE.**

Arianne Reinoso, RN

UHV Class of 2012

Jeongsil

Christine Yon, RN

UHV Class of 2012

UNIVERSITY OF
HOUSTON - VICTORIA

Stephanie,

An advanced degree helps you lead change to advance health care.

UHV's accredited* School of Nursing can help you make a difference in health care by completing one of our various degree programs:

- **RN to BSN** – Summer admission available to complete the program as a full-time student in just one year.
- **MSN** – Take the next step in your nursing career by selecting from administration or education tracks.
- **RN to MSN Bridge** – Get a master's degree with an administration or education focus as an associate degree or diploma nurse with a bachelor's in another discipline.
- **MSN/MBA** – New dual-degree program for nurses wanting top-level skills and solid business know-how.

Call the School of Nursing advisor at **(361) 570-4297** or toll free at **(877) 970-4848, ext. 4297** for more information about advancing health and making a difference with an advanced degree in nursing this spring!

Ask about becoming a Johnson Scholar. Other nursing scholarships are available.
