**The University of Houston - Victoria**, founded as an upper-level institution in 1973, is one of four institutions in the University of Houston System. UHV serves students who have completed two or more years of college by providing bachelor's degrees and master's degrees. The faculty of the University of Houston-Victoria is very well grounded in their respective fields of study. Many of them have authored books and have been awarded fellowships for further study. Many of our faculty have also published articles in journals of their field.

**The University of Houston - Victoria is fully accredited by the Southern Association of Colleges and Schools**

UHV is a small university with an enrollment of approximately 2400 students. **UHV is considered to be a transfer institution, accepting students at the upper-division university level (3<sup>rd</sup> and 4<sup>th</sup> year of the 4-year bachelor's degree), and the master's degree level.** Students are required to complete the 1<sup>st</sup> and 2<sup>nd</sup> year requirements toward the bachelor's degree at another community college or university, and then transfer to UHV for the upper level courses. (An I-20 may not be issued for transfer until all lower level course requirements are completed for the F-1 student who wishes to complete a degree at UHV.)
