

OGC Form No. OGC-S-99-24 [Revised]

[Effective August 30, 1999, Government Code Chapter 2260 requires that each contract entered into by the University of Houston System and its component institutions for goods or services, or for a building or construction contract under section 2166.001 of the Government Code, include a provision, developed with the Attorney General's assistance, stating that the parties will use the dispute resolution process provided for in chapter 2260 to attempt to resolve disputes arising hereunder. The following provision has been approved by the Attorney General for use by parties to contracts covered by Chapter 2260.]

**UNIVERSITY OF HOUSTON SYSTEM
ALTERNATIVE DISPUTE RESOLUTION CLAUSE**

- (1) The dispute resolution process provided for in Chapter 2260 of the Government Code shall be used, as further described herein, by the University and the contractor to attempt to resolve any claim for breach of contract made by the contractor:
 - (A) A contractor's claims for breach of this contract that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Government Code. To initiate the process, the contractor shall submit written notice, as required by subchapter B, to [for the System, the Chancellor; for component institutions, the President] or his/her designee. Said notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice shall also be given to all other representatives of the University and the contractor other wise entitled to notice under the parties' contract. Compliance by the contractor with subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, of the Government Code.
 - (B) The contested case process provided in Chapter 2260, subchapter C, of the Government Code is the contractor's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by the University if the parties are unable to resolve their disputes under subparagraph (A) of this paragraph.
 - (C) Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this contract by the University nor any other conduct of any representative of the University relating to the contract shall be considered a waiver of sovereign immunity to suit.
- (2) The submission, processing and resolution of the contractor's claim is governed by the published rules adopted by the Attorney General of the State of Texas pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended. These rules are found at [T.A. C. citation, when available].
- (3) Neither the occurrence of an event nor the pendency of a claim constitute grounds for the suspension of performance by the contractor, in whole or in part.
