

UW SUPERVISOR'S EVACUATION ROSTER

Revised May 2004

Instructions: During a drill or an actual emergency this roster will assist you in accounting for staff in your department. Account for all people (*all full time and part-time employees working at this time*), meet in your gathering point and wait for an emergency monitor to check off your department for accountability. (*We want to make sure all your employees are accounted for and no one is trapped inside the building.*)
