

***Dare to dream. Dare to achieve.***

**Laquitta Martell**  
MBA, Class of 1999

When Laquitta Martell decided a higher education was the answer to advancing her career, she looked for a university that offered flexibility to work around her busy schedule. Laquitta found what she was looking for at the University of Houston-Victoria, and now she's living her dream as director of sales and marketing for Naknan, a Houston software development and technical services company.

Let us help you achieve your dreams. We understand the challenges you face. UHV's Letting Education Achieve Dreams (LEAD) program can help you register, get financial assistance and plan your classes.
