Gamma Beta Phi Service Project Form

The following form is to be used to document your service activities. This summary sheet should include more than one service project to help minimize excessive printing and paper usage.

Remember, you must complete two community projects per semester. One of these projects must be a group project. **Best of luck to you!**

GBP Member _____ email address _____

date of service	time of service		hours of service	type of project		description of project and duties performed
	start	end		individual	group	
08/12/05	8:00	9:30	1.50		G	**Habitat for Humanity Home Build**: Helped build habitat home for Suarez family.
