

Online Classes ONLY Immunization Waiver

Students who are enrolled in online classes ONLY are exempt from meningitis immunization requirements. To request this exemption, students must complete this form and return it to UHV by either of the following methods:

Mail	Email	Fax
University of Houston-Victoria 3007 N. Ben Wilson Attn: Admissions and Student Recruitment	admissions@uhv.edu	361-580-5500

This waiver is for one year only and must be updated each year for which the exemption is being requested. Please be aware the University of Houston-Victoria will conduct online enrollment verification each term to ensure that students under this waiver are compliant with the law. Students holding this waiver which have not presented the proper immunization documentation will be withdrawn from any classes which are not 100% online.

In submitting this form, I affirm that I am registering for ONLY online classes.

I understand that beginning January 2012, Texas State Law (SB 1107) mandates that all entering students under the age of 22 provide either a certificate signed by a health care provider or an official immunization record verifying that the student has been vaccinated against bacterial meningitis or received a booster during the five years prior to registration.

I understand that in order to continue to be exempt from the meningitis immunization requirement, I must complete a new form for each year I wish to request an exemption.

I understand that if I enroll in a course that is not fully online and have not submitted the proper documentation to UHV, the university may drop my class without prior notice.
