According to my Certificate of Eligibility (if available, please attach a copy), I can expect to receive benefits at the level indicated below (please check):

40%     50%     60%     70%     80%     90%     100%

If I am eligible for 100% of benefits payable, I understand a credit totaling the amount due for my tuition and fees will be applied to my student account prior to the tuition and fee payment deadline. This credit will prevent enrollment cancellation for nonpayment of my course(s) and prevent the occurrence of any late fees.

If I am not eligible for 100% of benefits payable, I understand I am responsible for paying the remaining amount of my tuition and fees prior to the payment deadline to avoid enrollment cancellation for nonpayment.

I understand it may take the university 30-60 days after my enrollment has been certified to receive payment from the Veterans Affairs Office and I understand any outstanding balance, until paid in full, at UHV may prevent me from enrolling in future semesters.
