The COVID-19 pandemic has presented both University of Houston - Victoria and our students with unprecedented challenges. We understand that the transition of changing from in person instruction to alternative delivery methods can impact a student's ability to succeed in certain classes.

The disruption in course delivery and changes in campus operations are considered a circumstance that could cause you to not make Satisfactory Academic Progress. Please complete this form if you believe the changes campus operations and/or changes in your course delivery affected your ability to be successful in the Fall 2020 semester.

### 1. Please indicate the factors that impacted your ability to successfully continue/complete your course(s).

- I was unable to regularly access the internet.
- I was having symptoms or someone in my family was having symptoms of COVID-19
- I did not have a computer and my mobile device is not compatible with the learning platform my instructor is using.
- Remote education is not conducive to my learning style or the class content.
- I experienced a significant increase in my work schedule as a result of the COVID-19 pandemic
- I needed to become a caregiver or first responder
- I experienced a loss of childcare
- I suffered an economic hardship that interrupted my ability to complete the Fall 2020 courses.
