Renu Khator

Dear University of Houston-Victoria Graduates,

Congratulations! The moment you've long dreamed of today becomes a reality. Today, you become a college graduate.

The long hours, late nights and countless sacrifices have all been worth it. Your hard work has prepared you for a rewarding and successful career.

You are a generation that didn't allow a global pandemic to stop you from achieving your goals. Staying the course during these trying times is a testament to your resilience and tenacity. I have no doubt these same attributes will serve you well as you make your mark in the world. You leave here today educated, equipped and prepared to succeed.

The support of your parents, families and friends, and the encouragement of your UHV faculty, advisors and staff have also played a significant part in your success. Remember to thank them for their contribution.

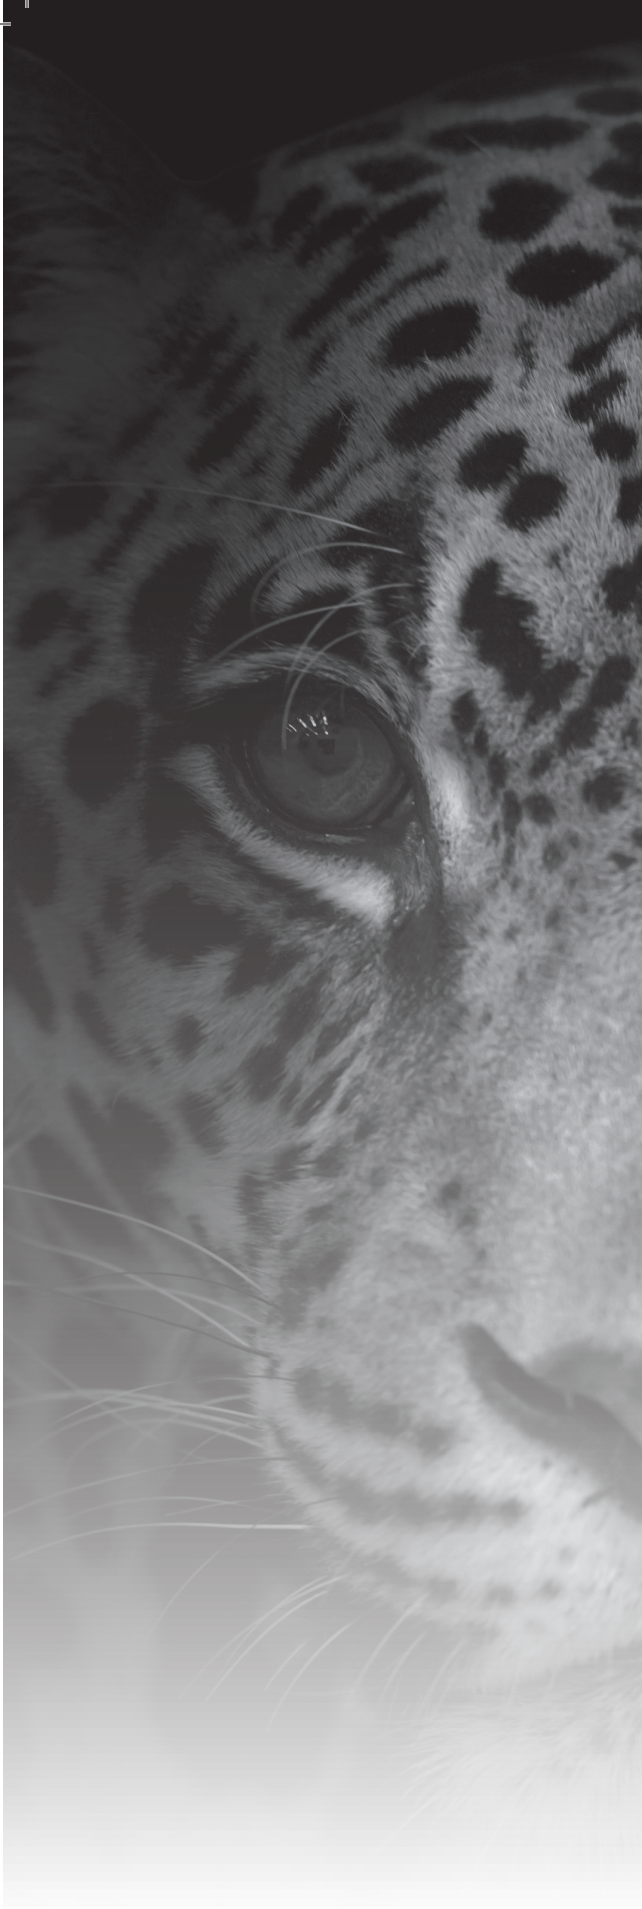

You've received a first-class education here at UHV. Now, go forward as proud graduates and take the world by storm. I know in my heart that you are now ready and able to be the leaders that our society needs. You are the future we have been waiting for.

With my best wishes for a bright and rewarding tomorrow, Go Jags!

Warmest regards,

Renu Khator

Chancellor, University of Houston System

ABOUT THE UNIVERSITY

University of Houston System

The University of Houston System is made up of four universities that serve the Houston metropolitan area and upper Gulf Coast: the University of Houston, the University of Houston-Clear Lake, the University of Houston-Downtown and the University of Houston-Victoria. The University of Houston System also operates multiple off-campus instructional sites to meet the educational needs of students in high-growth parts of the metropolitan area without easy access to one of the main campuses.

University of Houston System Board of Regents

The Board of Regents is the governing body of the University of Houston System as authorized by the Texas Legislature, according to Section 111.11 of the Texas Education Code. The Board of Regents consists of 10 members, including a chairman, vice chairman and secretary. Each member serves a six-year term with the exception of the student regent, who serves a one-year term.

University of Houston-Victoria

UHV is a dynamic destination university in the Coastal Bend region of Texas that serves the educational needs, promotes the economic well-being, and advances the quality of life for the university and community through teaching, research and service excellence. Through the years, UHV's enrollment has grown to nearly 5,000 students, and the university confers about 1,000 degrees annually. UHV offers undergraduate and graduate degrees in three schools: Arts & Sciences; Business Administration; and Education, Health Professions & Human Development. Programs are offered at the Victoria campus in addition to an instructional site in Katy.

Robert K. Glenn

Dear University of Houston-Victoria Graduates,

Congratulations on your graduation from the University of Houston-Victoria!

A university's greatest mission is to help its students be successful. And the happiest day on a campus is when we gather to celebrate that success. I am proud and grateful that the faculty and staff at the university could be part of your life during your time at UHV. I am even more proud of the way you have persevered through the struggles we have faced during the past two years. You did not let this turn you aside from your goals, and I applaud your dedication and determination.

I know that the degree you are about to receive required a great deal of time and effort, but it was all worth it. Your UHV degree is the culmination of hours, weeks and years of hard work. It is something that no one will ever be able to take away from you, and it will help you achieve your dreams. And remember that your graduation also is the fulfillment of the dreams of the family and friends here with you today.

As you get ready to walk the stage at commencement, don't forget to be present and take in this moment. I am proud of you; the faculty and staff are proud of you; your family and friends are proud of you. We cannot wait to see what your future holds. I know that we will be even more proud as we watch what you accomplish.

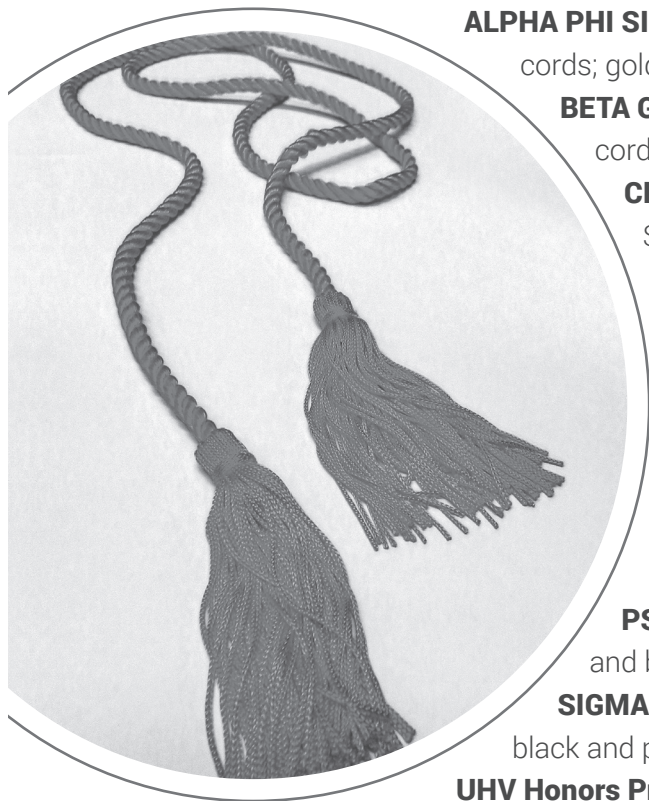

As we say at UHV, it's time to Make Your Mark!

Many thanks,

President, University of Houston-Victoria

UHV Alma Mater

Verse one:

Deep within the Golden Crescent,
Waves of roses bloom,
Stands our loyal Alma Mater,
Tall and strong and true.

Bridge:

We are Jaguars, hear our voices,
Fear our pride and might.
Hail to thee, our Alma Mater,
Roaring in the night.

Verse two:

Bless'd are those who came before us,
They who seized the day.
Sing in one acclaiming chorus,
"Hail to U-H-V!"

Sung to the tune of "Far Above Cayuga's Waters"

* Denotes previous semester graduates

For fall 2021 graduates included in this program, conferral of an official UHV degree occurs after commencement when final grades are posted and all degree requirements have been met. All other graduates included in this program have been conferred their respective degrees from previous terms. The program is considered a ceremonial publication and only lists those candidates who applied by the appropriate deadline. It is not an official record of graduates. The university apologizes for any errors or omissions.

THE MEANING OF ACADEMIC REGALIA

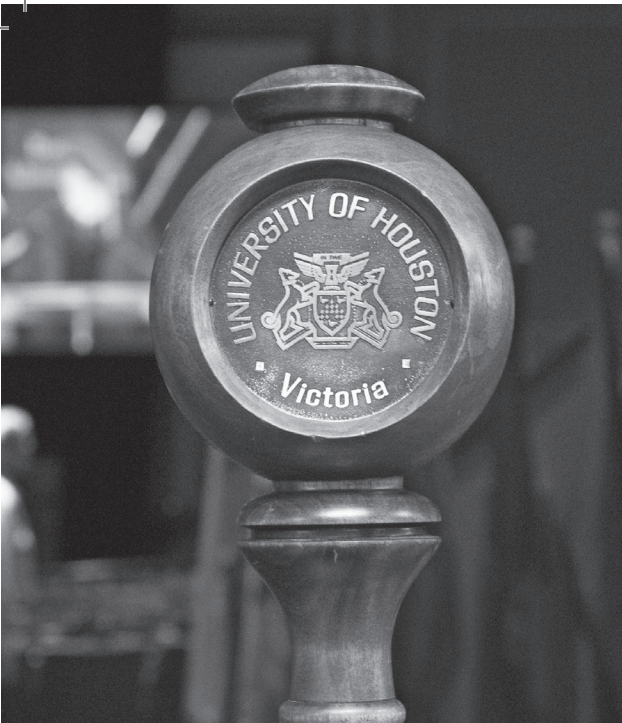

The mace is a ceremonial symbol of the office of the president of the university and derives from medieval England when officials taking office or opening court needed a bodyguard for protection. On such occasions, the actual weapon was carried by the bodyguard to dissuade those who might attempt to interfere with the official's activities. Use of the mace has been purely symbolic since colonial American times. In university ceremonies, the mace is carried by a distinguished member of the faculty. Grand marshal and mace bearer for today's ceremony is Dr. Jeff Blodgett, president of the Faculty Senate and professor of marketing in the School of Business Administration.

The costumes of those in the academic procession date back to at least the 14th century. A Portuguese statute dated to 1321 required that all "Bachelors, Licentiates and Doctors" of the University of Coimbra wear gowns. In 1895, academic institutions in the United States adopted a code of academic dress that occasionally has been revised. The dress of institutions in other countries varies, and there is not a worldwide code, but the basic elements are present in all academic costumes.

The bachelor's gown has long, pointed sleeves. The master's gown has an oblong sleeve open at the wrists. Some older gowns may be open near the upper part of the arm. The doctor's gown is fuller than the others with full-length velvet panels on the front and three velvet crossbars on each sleeve in black or in the color distinctive of the subject to which the wearer's degree pertains. Gowns for degrees below the baccalaureate, such as an associate degree, are of a lighter color.

The master's hood, draped over the shoulders and down the back, indicates the subject to which the degree pertains and the university that conferred the degree. The hoods are lined with the official color or colors of the college or university conferring the degree. The binding or edging of the hood is of velvet or velveteen, and the color is representative of the subject to which the degree pertains.

In the United States, the black mortarboard most commonly is worn. The tassel fastened to the center of the mortarboard usually is black, although it may be the color appropriate to the subject of the degree. It is common for students to begin the commencement ceremony with their tassels on the right and then switch them to the left as a group. The doctor's cap usually has a gold, metallic tassel. UHV candidates graduating with honors can be recognized by a gold cord draped around the neck, which symbolizes academic excellence.
